# Check Up

Last month we learned about N.E.D. Never give up, Encourage others, and Do your best. I would like to encourage you to go and tell your teachers about your school goals. Ex: like wanting to get better at math or reading. It can be any subject. Don't be embarrassed!!! Your teachers know you are struggling and are willing to help you. So, be brave and tell your teachers! Remember the pencil. It's ok to make mistakes!!!

# Five Little Leprechauns

Five little leprechauns on St. Patrick's Day  
The first one said, "I'd like to play!"

The second one stood beside a rainbow.  
The third one waved and said, "Hello!"

The fourth one said, "Good luck to the bold."  
The fifth one said, "Just don't touch my gold!"

Plink, plink went the harp – they all danced around,  
Then five leprechauns ran off with a bound.

## Denarii

In the fifth grade class we go through a unit called the Roman unit. In this unit we are either merchants, slaves, or slave masters. Instead of using money we use denarii which is Roman money. If you have a job in the classroom during the Roman unit you will get a sheet of denarii every Monday.
