

Don't forget that Super PI Day is Thursday, March 12th this year.

What is PI Day? It's a celebration of an irrational number that God created. This year is Super because March 14, 2015(3-14-15) are the first digits of PI. At 9:26:53 continues the numbers of PI. This day only comes around every 100 years!

Elementary students can earn a Timbit at lunch for memorizing 10 decimal places. (3.1415926535). The student who says the most numbers after the decimal place, earns a pie!

If you purchase a PI t-shirt, you can wear your PI t-shirt, with uniform bottoms, on PI Day.

If you would like to purchase a shirt, please use the bottom form and turn it in to your child's teacher or the office. All t-shirt orders are due by February 20. The t-shirt is purple with white letters. The long sleeve shirts are \$16 and the short sleeve shirts are \$13.
